RE: 2020 Annual Training Conference

As the situation with the coronavirus (COVID-19) continues to develop daily, the NAMRC Board of Directors convened in March to discuss the potential implications of the pandemic on this year's conference participation. It is with the care and concern of our members and potential conference attendees that the National Association of Multicultural Rehabilitation Concerns has canceled this year's conference!

The location for the 2021 NAMRC Training Conference will be Greektown Hotel – Casino in Detroit, Michigan. The dates are pending!

To engage our membership and maintain communication throughout the year, Online Webinars will be offered facilitated by the Professional Development, Public Relations and Marketing, and Finance Committees. Stay tuned for more information on the NAMRC website, social media, and emails to the membership/conference attendee lists.

Please take great care of yourself and your loved ones - nothing is more important than the health and safety of our NAMRC Family.

Sincerest regards,
